

# Skirmish At Gamble's Hotel

"The Columns"

## Cavalry Participation Form

All horses, donkeys, and mules must have a current Coggins certificate. The farm works cattle across all the property that we use. When you arrive on site and register for the event, you will have to show your certificate at that time. **Do not bring an animal that does not have a current certificate.** If you do, you will be required to immediately remove the animal from the property.

A bounty will be paid for each mounted trooper that participates. It's not a lot, but we hope to cover the cost of your hay for the weekend. A bonus is being paid to troopers that will come out for school day. Collect your bounty at the mercantile after church on Sunday.
