School Day Education Program

March 7th, 2014

The school day program was created to offer an educational view of this period of American history. It gives a close up glimpse of more than just the military aspects. Along with demonstrations of infantry, artillery, and cavalry, there are presentations of a homestead, general store, blacksmith, and more.

School Day begins on Friday at 9:00 am and continues until about 1:00 pm. We stagger the times for the classes to arrive so the presentations don't bunch up too much. Allow about 2 hours to see all the presentations. Early registration will help ensure your preferred time is available.

Teachers/student coordinators should be aware that we charge \$5.00 per child to attend the program. The fee is used to offset liability insurance and other expenses. Also, please be aware that we do not have the convenience of accepting a credit card. Cash, check, or a school purchase order is acceptable.

We don't know what the weather will be like. Some years it has been really nice. And some years it has been cold and wet. PLEASE check the weather before you come out and plan accordingly. If a sweater or jacket is not necessary, the students can leave them on the bus.

If you are interested in attending, fill out the form below and send it to:
